DETAILED ACTION

Allowable Subject Matter

1. Claims 1-19 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach or suggest some of the limitations found in independent claim 1. With respect to independent claim 1, the prior art of record fails to teach a laser light emitting optical system for emitting laser light to a surface, the surface being skin or mucosa. Also with respect to independent claim 1, the prior art of record fails to teach a collimating lens, the collimating lens being arranged between the laser diode and the deflection system. Therefore, independent claim 1, as well as all dependent claims, are allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
